Career counselling session held

ITANAGAR, May 3: The Government College at Doimukh on Friday conducted a career counselling session for outgoing students of the sixth semester to inform them of various career opportunities available after completion of graduation. Speaking to students, Rajiv Gandhi University (RGU) vice-chancellor, professor Saket Kushwaha, urged students to be humble and honest in their attitude and advised them to build good personalities and to always seek guidance from parents, teachers, and peers. He also advised them to take additional certificate courses apart from the regular graduation courses. Director of the directorate of higher and technical education, Dr Tayek Talom, exhorted students to seek jobs outside of the state and keep aside apprehensions relating to safety to pursue careers outside their comfort zone. He also said that there are no big or small jobs and that everyone work hard with utmost dedication irrespective of obstacles and impediments that will come in their journey in building a career. The college's principal, Dr MQ Khan, told students about the significance of having career counselling and placement cells in academic institutions. He also advised them to set goals and to make strategies and link them with their career. Earlier, Dr DK Jha, the co-ordinator of the college's career counselling and placement cell informed students the about the rapid decrease in government jobs and opportunities that are available in the private sector.
