Be humble and honest in attitude, RGU VC tells students

ITANAGAR, May 3: In an effort to guide the students on various career opportunities available after completion of graduation and also to bid farewell to outgoing students of VIth Semester, the Government College, Doimukh on Friday organized career counseling-cum-farewell programme for the outgoing students at the college premises. Prof Saket Kushwaha, vice chancellor of RGU and Dr Tayek Talom, Director DH&TE attended the programme as chief guest and guest of honour respectively. Speaking on the occasion, the RGU VC called upon the students to be humble and honest in their attitude. He also advised them to build a good personality and to always seek guidance from parents, teachers and good friends. He also told them to take additional certificate courses, apart from regular BA course. Dr Talom exhorted the students to seek job outside the state and keep aside apprehensions relating to safety in taking up jobs outside one's comfort zone. He told them that no job is big or small and everyone must do hard work with utmost dedication irrespective of various obstacles and impediments that will come in one's journey of building a career. College Principal Dr M Q Khan told the students about the significance of having Career Counseling and Placement Cell in academic institutions. He also advised them to set goals and to make strategies and link them with their career. Earlier, Dr D K Jha, coordinator, Career Counseling and Placement Cell, GCD informed the students about rapid shrinking of government jobs and opportunities that are available in the private sector. He also informed them about Staff Selection Commission, Railway Recruitment Board, Banking, Paramilitary agencies etc.
