RGU declares MBBS results for TRIHMS

ITANAGAR, Jul 19: Rajiv Gandhi University (RGU) has declared the results of the MBBS examination conducted in June this year for the first batch of students of the Tomo Riba Institute of Health & Medical Sciences (TRIHMS). Fifty students appeared in the exam, out of which 47 passed, one failed, and two will have to reappear for the exam. The TRIHMS is the first medical college of the state, with an intake capacity of 50 students, and is a 300-bedded hospital. The first session of the college started in June 2018, after the Medical Council of India had issued the letter of permission to it.
